Minerals Management Service, Interior

§ 285.645

(b) If you have a limited lease, you may submit information on any project easement as part of your original GAP submission or as a revision to your GAP.

§§ 285.643-285.644 [Reserved]

Contents of the General Activities $$\operatorname{\textbf{PLAN}}$$

$\S 285.645$ What must I include in my GAP?

(a) You must provide the following results of geophysical and geological surveys, hazards surveys, archaeological surveys (if required), and baseline collection studies (e.g., biological) with the supporting data in your GAP:
